

Empyrean Hospitality Training Academy Responsible Service of Alcohol (RSA)

The Responsible Service of Alcohol (RSA) certificate is a compulsory requirement for anyone working in liquor related industries.

Stay a step ahead by enrolling in Empyrean's RSA course which is nationally recognised and accredited.

As part of your training, you will learn about standard drinks, signs to watch out for to recognise when someone has had too much to drink, preventative measure to avoid patrons from reaching a drunken disorderly state, and how to manage issues should they arise.

The hospitality industry recognised the importance of responsible service of alcohol, hence it now being a mandatory requirement to gain or keep employment in jobs that require you to serve alcohol.
